This certificate is issued under the authority of the United States Grain Standards Act, as amended (7 U.S.C. 75 et seq.), and the regulations thereunder (7 CFR 900.5 et seq.). It is issued to show the kind, class, grade, quality, condition, or quantity of grain, or the condition of a car or container for the storage or transportation of grain, or other facts relating to grain as determined by official personnel. The statements on this certificate are considered true at the time and place the inspection or weighing service was performed. The certificate shall not be considered representative of the lot if the grain is transhipped or is otherwise transferred from the specified car or container of grain or other material as noted or removed from the lot. If this certificate is not canceled by a superseding certificate, it shall remain in force by all officers and all courts of the United States as prima facie evidence of the truth of the facts stated therein. This certificate does not exceed in force the provisions of the Federal Food, Drug, and Cosmetic Act or other Federal law.
WARNING: Any person who shall knowingly falsify, make, issue, alter, forge, or counterfeit this certificate, or participate in any such actions, or otherwise violate provisions in the U.S. Grain Standards Act, the U.S. Warehouse Act, or related Federal laws is subject to criminal, civil, and administrative penalties. The conduct of all services and the issuing of personnel under the regulations governing such services shall be accomplished without discrimination as to race, color, religion, sex, national origin, age, or handicap.
According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this collection is 0559-0611. This may require disclosure of this recordkeeping requirement to a average 22.07 hours per respondent annually, including the time to obtain such records, and to file, store, and retrieve such records.
