REMARKS: This report is governed by, and incorporates by reference, the General Terms and Conditions of Service as attached to our offer and/or contract and is intended for your exclusive use. Unless specifically agreed, the report relates to the facts as recorded by us within the limits of instructions received and, if appropriate, states its opinion based on such facts. In providing our services we do not take the place of designers, architects, builders, contractors, manufacturers, producers, operators, transporters, carriers, buyers or owners, who, notwithstanding our actions, are not released from any of their obligations of whatever nature. In particular, our inspection and the resulting report do not release the seller of goods from its own obligations toward the buyer of such goods. Any information and recommendations supplied by us shall not be held or construed to amount to approval or acceptance of the items in connection with which the information and recommendations are supplied or of their quality, merchantability or fitness for any purpose. The above results are valid at the time and place of inspection.
